## Siphon coffee

¥750

Siphon coffee, brewed using steam pressure, fully extracts rich aromas and deep flavors. It contains more coffee oils than drip coffee, resulting in a smooth and mellow texture. We carefully brew our signature blend, known for its delightful fragrance, using the siphon method to offer you a truly special cup.

We have two difference types of original blended coffee.

Please pick one from below.

### Shiki-no-Nagare

It has a balanced depth with a hint of fruity aroma. Even when cooled, it retains its smooth taste with minimal acidity.
